My child loves coming to school. He is thriving at Abercynon YGG. Thank you to his wonderful teachers.

He has had the best school experience I can not praise the staff enough for how much progress he has made and happy he is in school.

We, as parents, have also been made to feel so welcome. Any concerns are listened to and dealt with. It is lovely that all staff seem to know our child, and not just those who teach him. Thank you

Thank you for all the hard work and also the belief in my son.

Abercynon Welsh school has been amazing, it's a well run, friendly school. I'll be sad to see my daughter go.

Mae Mrs Jones (Macsen) wedi bod yn gefnogol dros ben i fi fel rhiant. Mae hi wastad ar gael i drafod a rhoi cyngor, sydd yn amhrisiadwy.

I am an ex pupil of the school and I think the school is an excellent school I enjoyed it there as a child and my daughter loves school and the teachers she's had have been outstanding teachers

Information for trips/events are shared within a timely manner which is great.

Can ClassDojo be set up to show only relevant class updates to parents, with general school info on the main page and class-specific content sent directly to parents?	School have contacted Dojo and asked that important information be pinned to the top of the feed to ensure important information does not get lost or missed. Additionally, class information, pictures and updates will be kept to class pages and class announcements and whole school information on the school main page.
I would like more information about what my child is working on at school.	As part of our new curriculum our theme plans will be sent out at the beginning of each term, sharing with families what we will be focusing on for the term.
Letting us know about events last minute.	The school shares a detailed calendar of all events at the beginning of each term. This calendar is shared on dojo and also on the school website. Additionally any class events are shared via announcements direct to parents.
Transition information shared from class to class.	All information is shared through face to face meetings with the new and previous class teacher, additionally staff including interventions staff complete transition information that is passed on to the next teacher. Lastly, the staff complete a comprehensive provision map that includes information on all students, this included allergies, ALN and healthcare plans.

My child was previously bullied at school under the leadership of the previous headteacher.	The school actively promotes kindness, empathy, and good citizenship through initiatives such as Anti-Bullying Week, NSPCC awareness weeks, lessons on celebrating differences, and friendship groups, while taking all allegations of bullying extremely seriously—addressing each case individually in line with school and RCT policies—and encouraging both children and parents to share any concerns with us.
My son has a restrictive diet and doesn't eat the food on the new menu.	The school menu is created and offered by RCT Catering. The school is always open to discussing options however can only offer what is given by Catering.

Diolch i bawb sydd wedi cymryd yr amser i gwblhau'r holiadur; os hoffech drafod unrhyw beth yn unigol, peidiwch ag oedi i gysylltu â'r ysgol yn uniongyrchol.

Thank you to all parents who took the time to complete the questionnaire; if you would like to discuss anything further or on an individual basis, please don't hesitate to contact the school directly.
